What's Hot Today:

Budweiser APAC (1876.HK): 1Q24 results inline, volume drop dragged sales

Bud APAC reported its 1Q24 revenue/net profit at US\$1,643/287mn, dropped 3.5/3.4% YoY. The decline in revenue was mainly dragged by a 4.3% volume drop despite a 0.9% ASP hike. Profitability came in flat YoY, with GPM/NPM at 51.5/17.5%, +1.3/flat YoY.

APAC West: During the period, volume/revenue of the region dropped by 4.4/4.5% YoY. China's volume/revenue dropped 6.2/2.7% in Q1, mainly due to bad weather in March. The Mgt added that Apr's bad weather in Guangdong and Fujian will negatively impact on China's Q2 performance. India's revenue and volume both continued its strong momentum with a double-digit growth, supported by a rapid premiumization trend.

APAC East: In 1Q24, although volume dropped by 4.0%, revenue of the region increased 1.4% driven by 5.6% ASP hike. South Korea's volume dropped by mid-single-digit but revenue increased mid-single-digit, thanks to a high single-digit gain in ASP.

Our view: We think the recent soft consumption environment in China will delay the premiumization process. It may suffer more than its peer given its core channel (Night life channel) being highly sensitive to the economy. However, in the long run, we believe the premiumization strategy will continue to bring positive effects to the overall profitability. The near term catalyst could be 1) better than expected volume in summer; 2) channel expansion; 3) consumption recovery. The ticker is trading at 17.6x FY24E P/E. (Research Department)

#### Disclaimer

This document is not an offer to sell or the solicitation of an offer to buy or subscribe for any securities. The securities referred to in this document may not be eligible for sale in certain jurisdiction. Neither this document nor any portion hereof may be taken distributed or transmitted directly or indirectly into such jurisdiction nor to any residents thereof. Any failure to comply with this restriction may constitute a violation of the applicable laws and regulations and persons into whose possession this document comes should inform themselves about, and observe, any such restrictions. This document has been produced for private circulation and may not be copied, photocopied, duplicated, or redistributed without the prior written consent of Kingsway Financial Services Group Limited ("KFS") and its affiliated companies (collectively, "Kingsway Group").

This report is distributed in Hong Kong Special Administrative Region of the People's Republic of China ("Hong Kong") by KFS which is registered as a licensed corporation under the Securities and Futures Ordinance (Cap.571 of The Laws of Hong Kong) with the Securities and Futures Commission of Hong Kong ("SFC") and its SFC CE number is ADF346.

The information contained in this report has been taken from sources believed to be reliable but no representation or warranty expressed or implied is made as to their accuracy or correctness. This report is published for the assistance of recipients but is not to be relied upon as authoritative or taken in substitution for the exercise of judgment by any recipient. It is not to be construed as an offer, invitation or solicitation to buy or sell any securities of the company or companies covered herein. Any recommendation contained in this report does not have regard to the specific investment objectives, financial situation and the particular needs of any specific addressee. All opinions and estimates reflect our judgment on the date of this report and are subject to change without notice.

KFS, including its parent, subsidiaries and/or affiliates, may act as lead or co-manager in an offering of the securities of any issuer discussed herein, may from time to time perform financial services or other advisory services for, or solicit financial services or other business from, any issuer.

Within the past year, KFS, including its parent, subsidiaries and/or affiliates, may have acted as market maker or traded on a principal basis in the financial instruments of any issuer discussed herein and may act as underwriter, placement agent, advisor or lender to such issuer.

KFS, including its parent, subsidiaries, affiliates, shareholders, officers, directors, and employees may have long or short positions in, and buy or sell, the securities, commodities or derivatives (including options) or any other financial instruments thereof, of any issuers.

An employee of KFS, including its parent, subsidiaries and/or affiliates, may act as director, or be represented on the boards of directors, of any such entities or issuers.
